To Whom It May Concern:

Our organization, Austin Bass Club for the Deaf, Inc. (ABCD, [www.austinbassclubdeaf.org](http://www.austinbassclubdeaf.org)) is a local fishing club for the Deaf, Hard of Hearing, and Children of Deaf Adults (CODA) people. ABCD is established to maintain the values of fishing and fishing tournaments among the members as well as education to run a club and providing lots of community support.

Speaking of values of fishing, ABCD is hosting an exciting children-fishing tournament called KIDFISH ([www.kidfish.org](http://www.kidfish.org)), to instill values of fishing and values of nature to the children. This event will be taken in place at Lake Bastrop on the 9th day of April this year.

Sprint Relay ([www.sprint.com/relay](http://www.sprint.com/relay)), Communication Services for the Deaf (CSD, [www.c-s-d.org](http://www.c-s-d.org)), and LCRA Employees ([www.lcra.org](http://www.lcra.org)) are our current sponsors of this special event. We are requesting that you, and your company, donate merchandises, gift cards, and/or gift certificates. All received merchandises, gift cards, and gift certificates will be given away as prizes. Should you decide to send in a check for a monetary donation, please make the check payable to KIDFISH.

To honor your donation, you can include some kind of advertisement such as your business card, small banner, catalog, and the like, to allow us to display your business on the event bulletin board and/or give away on the booth table. This is our thank you for your support to our club and the KIDFISH event.

If you are unable to provide your donation and business advertisement to the person whom handed you this letter, please use the mailing address below:

Marco Peterson  
706 Twin Oak Trail  
Cedar Park, TX 78613

Thank you for your time reading this important letter.

Sincerely,

Matt Erickson  
KIDFISH Chairperson
