To Whom It May Concern:

Our organization, Austin Bass Club of the Deaf (ABCD, www.austinbassclubdeaf.org) is a local fishing club for the Deaf, Hard of Hearing, and Children of Deaf Adults (CODA) people. ABCD is established to maintain the values of fishing and fishing tournaments among the members as well as education to run a club and provides lot of community support.

Speaking of values of fishing, ABCD is hosting an exciting children-fishing tournament called the Little Anglers Tournament (www.littleanglers.org), to instill values of fishing and values of nature to the children. This event will be taken in place at Lake Bastrop during Spring season every year.

Sprint Relay (www.sprintrelay.com) and LCRA Employees (www.lcra.org) are our current sponsors of this special event.

We are requesting that you, and your company, donate merchandises, gift cards, and/or gift certificates. All received merchandises, gift cards, and gift certificates will be given away as prizes. Should you decide to send in a check for a monetary donation, please make the check payable to Austin Bass Club of the Deaf.

To honor your donation, you can include some kind of advertisement such as your business card, small banner, catalog, and the like, to allow us to display your business on the event bulletin board and/or give away on the booth table. This is our thank you for your support to our club and the Little Anglers Tournament.

If you are unable to provide your donation and business advertisement to the person whom handed you this letter, please use the mailing address on the left under **Donation Mailing Address**.

Thank you for your time reading this important letter.

Sincerely,

Matt Erickson
Chairman for the Little Anglers Tournament
